

COMPOST FACILITY OPERATING PRACTICES COURSE

***Plus! Compost Facility Operator or SWANA Managing
Composting Systems Certification Exam***

January 15-17, 2019

**Peel Region Integrated Waste Management Facility
Education Room
7795 Torbram Road
Brampton, Ontario**

The Compost Council of Canada and **SWANA Ontario Chapter**, in cooperation with the Region of Peel, are offering a three-day hands-on training program to promote technical knowledge and sound operating techniques amongst compost facility operators and those involved with large-scale composting.

This popular three-day course has been designed to provide participants with a practical understanding of the composting process and the means to address operational issues involved in the running of a compost facility. Topics covered include:

Feedstock Recovery	Feedstock Preparation	Composting
Curing	Screening & Refining	Storage & Packaging
Nuisance Control	Marketing	

Course will include a tour of the Region of Peel's Composting Facility.

Registration is limited to maximize individual attention.

Who Should Attend?

- Compost Facility Operators & Managers
- Public officials involved with Solid Waste/Health Departments
- Those involved in Agricultural Operations and/or Research
- Technology Service Providers & Equipment Vendors
- Consultants working with Compost Facilities
- Government Regulators of Compost Facilities
