Just as important, the Conference provides the ideal venue to meet and network with others in the Canadian and international organics recycling industry. Join us in Montréal!!

INTERESTED IN EXHIBITING?

The Compost Council of Canada invites vendors of organics recycling technologies, equipment suppliers and consultants to participate as part of our exciting Exhibit area.

As an exhibitor, you will have the opportunity for quality time and discussion with our delegates. In many ways we will ensure the maximum traffic possible for our exhibitors, through positioning of the various catering stations and activities, and generally making our exhibit hall an interactive place for networking. In addition to one-on-one contacts through your exhibit and special reference in our Show Guide featured in the Summer 2012 issue of *Solid Waste and Recycling Magazine*, all exhibitors are listed on the website of the Council, in the conference program, on signage and in delegate packages.
