*Theresa Gavin and André Martin,  
Ontario Ministry of Environment and Climate Change*

**The Wonderful World of Soil Life**

*Glenn Munroe, The Compost Council of Canada*

There is a world in the soils beneath our feet that helps feed our agricultural success. Join in this session to help support better understanding about the abundant life in soil and how to harness its potential for improved yields and productivity. Be sure to bring a small sample of your soil and/or compost in order that samples can be viewed under the microscope in the session.
