

Free Compost Webinars on

Wednesday August 7, 2013 & Wednesday September 4, 2013

Green Manitoba and the Compost Council of Canada invite you and your compost colleagues to participate in our upcoming webinars:

Organics Recycling Programs in Canada

Part I – August 7th

Part II – September 4th

The latest in our series of free organics recycling webinars, this topic will be led by Susan Antler, Executive Director, The Compost Council of Canada. Part I will focus on the regulatory framework and an overview of provincial developments. Part II will concentrate on advances and lessons learned in the processing of feedstocks sourced from both the residential and IC&I sectors

Date: Wednesday August 7, 2013

Start Time: 12 Noon (Central Time)

Presentation with opportunity for Q&A discussion. Total time = 1 hour.

Cost: Free

Please register in advance by emailing Danielle Buklis at The Compost Council of Canada: info@compost.org. Information on the connection process to participate in the August 7th as well as September 4th webinar will then be forwarded.

We welcome your participation.
