

19th National Annual Conference of The Composting Council of Canada September 30-October 2, 2009 Hyatt Regency, Vancouver, British Columbia

The Composting Council of Canada's 19th Annual Conference will be **the** leading conference in Canada in 2009 for those involved or interested in becoming involved in composting. The conference annually provides attendees with a prime array of opportunities to gather the latest, most up-to-date information on composting initiatives and programs, developments in technology, processing and equipment, marketing and applied research. Just as important, the Conference provides the ideal venue to meet and network with others in the Canadian and international composting industry.

INTERESTED IN EXHIBITING?

The Composting Council of Canada invites vendors of composting technologies, equipment suppliers, businesses marketing compost and consultants to participate as part of our exciting Exhibit area.
