

# COMPOST Matters in Canada

**4 On-Line Sessions (3 in English; 1 in French)**  
Each session 2 hours in length

**March 23rd, 25th & 30th, 2021**  
**Sessions @ Noon to 2PM Eastern Time**

*Our regional workshops are being turned into one great national online event, allowing for our whole organics recycling team across Canada to be together. Join us as a warm-up for a great Compost & Digestate season ahead.*

## **It's all about our Soil-Destined Products**

**Tuesday, March 23rd**

### **Using Nutrient Values to Market Compost**
